Questar Incentive Form for Boilers

DFCM strives to incorporate energy efficiency into all projects to provide the lowest cost for building operations to the state of Utah. The natural gas boilers will meet the minimum Questar Gas efficiencies for incentives as outlined in the specifications. The selected contractor is responsible for providing all supporting documentation to DFCM to collect all rebates and incentives applicable to the boilers. Please email all documentation to Chris Ottley, Energy Program Specialist (contact details below).

1. AHRI certificate and, Manufactures cut sheets.
2. Fill out information below.

Natural Gas Boilers		
	Boiler 1	Boiler 2
Date Installed		
Manufacturer/Brand		
Model Number		
Serial Number		
kBtu Input		

For any questions regarding any of the incentives or the process please contact:
