### Questar Incentive Form for Furnaces

DFCM strives to incorporate energy efficiency into all projects to provide the lowest cost for building operations to the State of Utah. The furnace will meet the minimum Questar Gas efficiencies for incentives as outlined in the specifications. The selected contractor is responsible for providing all supporting documentation to DFCM to collect all rebates and incentives applicable to the project. Please email all documentation to Chris Ottley, Energy Program Specialist (contact details below).

1. AHRI certificate
